1. Fast day 1—I love you.
Fast day 1—I thank you.
Fast day 1—you're obedient to My call, My request, My command, My demand—and I thank you.

2. Tell, share, open be, transparently transparent with Me and My Mine, My people who you are leading into leadership—at My knee, My knee, My knee Ted, not others, not yours, Mine, Mine, Mine.

3. Oh how happy I am for you to move in power connecting Me with My Mine who don't yet even realize how much Mine they are. They don't realize so many things about reality, thinking so daily that life is as they think it is—illusive, eluding them, pursuing money and the things they've been trained to pursue.

4. Oh so much more—worlds of power, worlds of understanding, worlds of relationships which connect through My sinew, My tissue, My body throughout My body —all in communication with each other, not yelling screaming or demanding their own way—respecting other parts and portions of My body long misunderstood.

Understanding, understanding—

5. Oh Ted, oh leaders, oh leaders, oh leaders who read, hear and listen to these words today—fast day 1—hear Me and hear Me well—

I love you. I love you. I love you and I am birthing a new thing and I am doing it with those who will let intercession flow—
Those who will let intercession flow—
Those who will respect and love, love, love deeply—
Those who will intercede for their followers.

And I am shutting down the mills that produced followers emasculated except for serving the leader. Oh change, oh great change, oh you cannot imagine yet—change.

Oh ready for Me, become, now, it's so easy to, so easy, so easy to enter My chambers and share with Me and allow Me to examine you and give you all you need to be whole, well, strong, leading, and not sinking into abysses designed by bondage-makers.

Oh such freedom, yet so much turmoil.
Freedom in you, if you're in Me, and Me in you.
Oh great freedom, rivering freedom.
Oh great bondage, for the self-serving.
So easy to turn, so easy to turn, so easy to repent.

6. So easy to follow Me, taking even baby steps and utterances which make no sense to you, but do to Me—utterances even as a baby—baby steps, baby utterances, in childlike faith, to Me, to Me, with Me, toward Me, and watch My face, watch Me smile, watch Me walk toward you and yours, your future, your present, and covering your past with Me, Me, My blood, My only-of-Me that can do what I only can do.

7. Oh freedom, oh turmoil, oh decisions make for Me, toward Me, so I can heal and fill and fulfill—
and bring about My design in you,
so that I can bring about My design for you,
so that I can bring about My design through you.

8. Oh graduate, graduate, g**row up and graduate** and remain not simpletons and ostriches and blind eagles dependent on others for that which before you lies and waits and waits on the table before you—with invitations of royalty, to royalty-ize you, into My royalty, My family which spans centuries to centuries and dirt floors to marbled palaces.

9. Oh let Me be Me so I can let you be you—and then gaze at you, gaze into your eyes, gaze upon your beauty and say so deliberately—good, good, you are good, knowing then that I can fully use you, and character of integrity built on foundations of love and respect, having gotten there by being poured out like a drink offering—and receiving wisdom, correction, knowledge, direction, understanding, connections, and cycling through the pulsating love of emotion that comes through Me and My heart into all of My alive ones—

My alive ones, My alive ones river into graduate status and lead, lead, lead, in Me, for Me, of My kingdom, where no man prevails selfishly, selfishly, selfishly, for long.

10. Oh majesty, oh splendor, oh majesty, oh splendor, oh majesty, oh splendor—such deep, deep peace, peace, peace, that can only come in Me, and with Me, that originates with only Me—

11. No depression, no fear, great courage, many relationships, great respect, great skill, tremendous promotion—

12. Me, Me, Me—not you, you, you—not man, man, man—not humanistic ways of self-introspection and self-mastery. Me, Me, Me—by My Spirit, by My Spirit, by My Spirit —

13. Getting there by baby steps of obedience and baby steps of utterances—toward intercession and usability in My kingdom, in palaces and board rooms and capitols of nations—on dirt floors, and people's hearts who have no floor—empty, hollow, non-existent almost, but waiting for My leaders of love and respect and power—seeing what I am doing, and what I am saying, and placing eyesalve on them with such tenderness, kindness, gentleness, love—full of respect, respect, respect—being My body, loving My body, loving My body.

14. Great change.
15. Flip-flop, flip-flop, flip-flop—

16. Limelight none—limelight now.
17. Limelight wrong heart—limelight not.
18. Flip-flop, flip-flop, flip-flop—

19. Upside down—wrong side out—
No.
Right side out—downside up.
Right made.
Turned around.
Provisioned.
Flip-flop, flip-flop, flip-flop—

20. Significanced, confidenced—My laws—My precepts—
My knowledge—My understanding—My wisdom—
Flip-flop, flip-flop, flip-flop—

21. On their foreheads, on your foreheads—all to see, all to see—so unashamed, so wisely be, be, being in Me.

22. Much change, much turnover, much turmoil.
Great peace, great promotion, great provision.
Peace, peace, peace.

23. Networks, networks, networks.

24. Giants released.
Giants grown.
Giants grounded in the roots of My Truth, My Truth, Me.

25. Explode forth as you fast and intercede and receive of Me and document My desires for My people—this times, this times, now, this season, now—
26. Significance, obedience, exponentialized.
27.
28. I love you—provisioned.
I love you—My sisters.
I love you—My daughters.
I love you—My mothers—birthing, birthing, birthing.
I love you—My sons.
I love you—My brothers.
I love you—My fathers—birthing, birthing, birthing.

29. Forth, forth, go forth—

30. Power might, in My Spirit, surrendered fully to Me and My Spirit guiding, whispering, correcting, connecting, directing you here, there, in love and joy, and Ted, for you, purity, purity, purity.

31. Patience, kindness, gentleness—
Skill, mastery of knowledge—
Self totally surrendered—
Synergized, synergized—graduated.

32. Love more, love more, love more.

33. Fast day 1, fast day 1—transparent be.

34. Isaiah 43:26 come contend with Me for your leadership, leadership, leadership—to release leaders, leaders, leaders and more leaders, into their positions of power.
